.....**THINK EDUCATION****THINK VINAYAK**

BETTER PERSONAL CARE

We have a specialist who pays attention at the performance of each student & analyses the area of improvement & communicates with students frequently in order to solve their problems.

STUDY MATERIAL

The study material provided by us is very authentic. Special notes are also provided to the students regarding special types of questions

FACULTY

Dedicated and experience faculty members.

HOMEWORK

Everyday homework is assigned to the students to recall the matter taught.

SPEED TEST

The students will be instructed to solve each question that is taught on the previous day in the class itself on the next day.

COMMERCE

TEST SERIES

These tests will enable the students not only to overcome their examination fear but also help them to gain self confidence in order to score well in board exams.

PERFORMANCE FEEDBACK

The results of the students will be regularly sent to the parents and their feedback will be taken.

PARENTS MEETING

Regular parents meeting will be held after certain point of time in order to make the parents aware of their son's or daughter's performance and to get their suggestions and to answer their queries.

COACHING

The entire syllabus will be covered well in advance before the test series which begins in December.
